Beverly Breast Cancer Walk

The Beverly Review boasts that more than 12,000 walkers supported this year's Beverly Breast Cancer Mother's Day Walk for Little Company of Mary Hospital. With perfect weather and sunshine, pink tees filled the gorgeous Beverly neighborhood as street musicians played on and residents offered water and lemonade to walkers-by. A busload of Crestwood residents left Crestwood Village Hall early to support the fundraiser. The walk honored breast cancer survivors and raised money for state-of-the-art diagnostic equipment and services for the hospital's patients.

Thinking of Having a Garage Sale?

It's that time of year! Before you set your date, come visit us at the Village Hall and get your permit. You can find an application sample under Building & Zoning Department on the village website. You must come into the Village Hall to obtain an actual permit and pay the appropriate fee.

Crestwood Garage Sale Days will be:
June 13 – 14 as well as August 22 – 23. On these specific dates you still MUST have a permit but your fee is **WAIVED**!

Congratulations to Our Graduates!

"If you aren't fired with enthusiasm, you will be fired with enthusiasm." ~Vince Lombardi

"If first you don't succeed, do it like your mother told you." ~Unknown

"Hitch your wagon to a star." ~Ralph Waldo Emerson

There are a myriad of great commencement speeches and quotes to express to the newly graduated the successes that are wished upon them. The Mayor and Village Board join in celebrating the start of your life's next chapter! Congratulations to the Class of 2014 and their parents and teachers for all their support. Learning is for life!

In the Works - Turnpike Flooding Prevention

Though many areas of Crestwood experienced a flooding deluge after the brutally harsh winter, some good news just recently surfaced.

Illinois House Bill 1551, a Metropolitan Water Reclamation District Stormwater Bill, was included in House Bill 3912, which just passed the Senate. This critical bill was holding up the MWRD's plans to hold authority on local projects, specifically Crestwood's effort to put together the plan for the basin at Midlothian Turnpike. Though this will not solve all flooding issues, the MWRD intends to work further on Tinley Creek, which is just four blocks downstream in Midlothian, to further improve drainage. State Representative Bob Rita co-sponsored HB 3912. Crestwood Mayor Lou Presta, Crestwood Trustee Patricia Flynn and Mayor Mary Werner of Worth provided witness support.

We will continue to keep you updated on the MWRD timeline as we work with our engineers.

Letter from Mayor Lou Presta

This month we remember and pay tribute to the most important men in our lives, our fathers. Fatherhood comes jam-packed with responsibility but there are no greater rewards to be had than the pleasure of watching your children grow and find their way. I hope that every dad in our Village gets to enjoy a great Father's Day this year.

I am happy to see residents once again taking pleasure and pride in our Village as they witness firsthand how it is growing and how new jobs are being brought to Crestwood. We continue to make headway with the Metropolitan Water Reclamation District (MWRD) on the Rt. 83 Corridor and we are also working hard to obtain financing to help us undertake major flood prevention projects throughout the Village. We have asked MWRD to assume funding for the replacement of footbridges in the Playfield area and continue to explore other government grants and financing strategies.

We had to tighten our belts this year because of expenses we were forced to undertake with accountants, lawyers and TIF experts. All this was necessary in order to plan long-term financial strategies that assure our Village remains strong financially well into the future. Trustees Pieroth and Flynn accompanied me to Springfield to meet with representatives from both the House and Senate to gain support for an extension to our existing TIF district. We received endorsements from 9 out of 10 taxing bodies and we are still in talks with School District 130 to craft an agreement that will be a win/win for all. Senator Emil Jones III, State Representative Bob Rita, Cook County Commissioner Joan Murphy and U.S. Representative Bobby Rush have all given their support to our endeavors and the hard work by our Board to do what is for the best for our Village and not what is simply politically expedient.

Our Board and I just finished crafting a proposed budget and our expenses have risen. Our switch to Advanced Life Support (ALS) service, now used by our Fire Department has already saved lives and makes every resident safer today. We never anticipated that the ALS service would be a revenue maker, but the service is about saving lives, not money. With ALS service comes the need to be compliant with State and Federal regulations as well as the purchase of new equipment, training and staffing.

I am sure you have seen our work progressing on the Walker Park Concessions and we are currently in talks about a new sports dome that will cover Caesar Park, accommodating a multitude of sporting events all year round. We are also in talks with developers proposing an upscale hotel along Cicero Avenue. Your Recreation Commission has obtained playground equipment for Caesar Park, which will soon be installed. Your Board also recently approved a new Jumbotron scoreboard for our stadium. Several local businesses have agreed to sponsor the sign. Your Recreation Commission is also exploring sponsoring additional movies in the park, at the stadium.

We added more full-time police officers and fitted their cars with cameras/video to protect both you and our officers. We now have more transparency in crime reporting through use of a blotter in our Crestwood Adviser. We will receive $800,000 in grant money from the Southwest Conference of Mayors that will help us improve our sidewalks along Midlothian Turnpike.

As always, I am reachable for questions and comments and encourage you to call me directly with any comments or questions you may have.

(From left to right) Mayor Lou Presta, Sen Mike Hastings, Theresa Flynn, and Bill Pieroth

Happy Father's Day!!!!!!!

Sincerely,

Mayor Lou Presta

Improving Government

Your Crestwood Village Board is working hard to ensure checks, balances, and transparency so than every citizen can see what is happening in their hometown. The Illinois Policy Institute has authored a 10-point Transparency Checklist that each municipality can use to measure their level of commitment to transparency and improve policies and procedures. The Illinois Policy Institute's checklist lists the following categories: contact information, public meeting postings, public information, budgets, audits, expenditures, compensation, contracts, lobbying and taxes. Your Mayor and Board are determined to not only meet every level on the policy checklist but to exceed their list in delivering a village government that is relevant, understandable and fully accessible to every citizen.

When it comes to spending your hard earned tax dollars, the Mayor and Board places multiple sets of eyes on each transactions to ensure proper accounting measures are taken and consistent. Besides board members, the Clerk, and various staff members, the Village also retains a comptroller and treasurer that examine each transaction. On top of all those checks, the Village also conducts an annual audit by an outside firm to ensure that every procedure was correctly followed and every penny properly accounted.

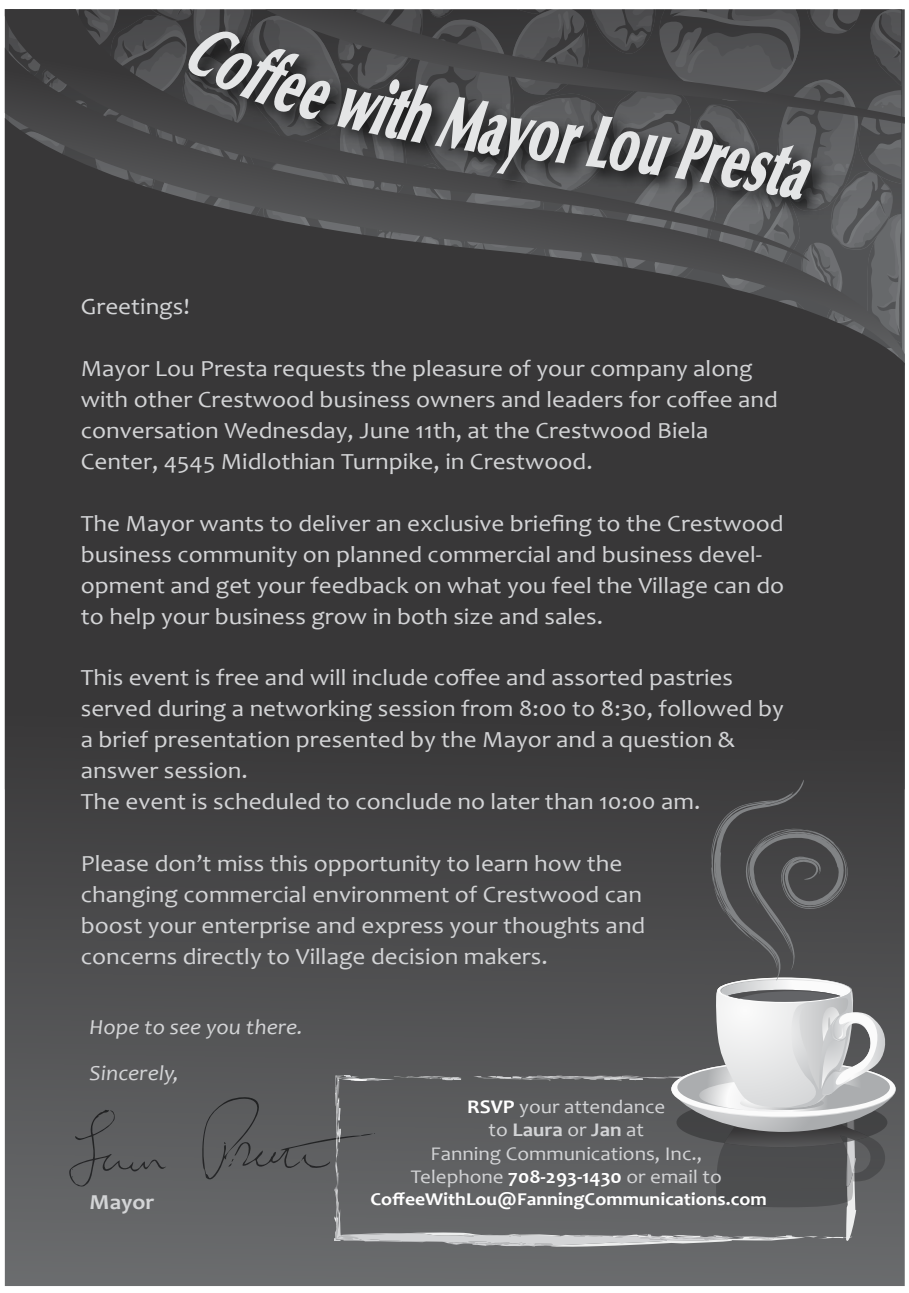
A new ethics ordinance was recently introduced at a Village Board Meeting and reviewed with full Board and Mayoral support. Ethics ordinance are not a new notion and the Mayor and several board members frequently network with other town officials sharing new ideas that will help here in Crestwood. The Village of Oak Lawn Board of Trustees recently adopted an ethics ordinance and the Village of Crestwood is using that ordinance to build upon. Fiduciary responsibility, improper influence, unauthorized usage of Village-owned property, disclosure of confidential information and conflicts of interest or the appearance of impropriety are just a few of the key points we have included in this new ordinance and are currently under consideration. Final amendments of the ordinance are being considered and the first ever Crestwood Ethics Ordinance should come to a vote this month.

Village of Crestwood's 2nd Annual Touch A Truck Invitation

It's that time of year again! Join us for Crestwood's 2nd Annual Touch A Truck Event June 14, where kids get a chance to get behind the wheel and rub elbows with their hometown heroes. This event gives kids the opportunity to come out and climb on and explore many of their favorite vehicles including big rigs, fire engines, police cars and construction trucks. It will surely be a day that will be remembered for years to come. Last year's event drew over 500 kids from around the area!

This year's event will take place on Saturday, June 14, from 10:00am until 2:00pm. The event will be located at the Rivercrest Shopping Center parking lot, in front of the Target store at 5071 Cal Sag Road in Crestwood. The shopping center is located at the southwest corner of Cal Sag Road (IL RT 83) and Cicero Avenue. We look forward to seeing you there!

Attention Crestwood Business Owners



Door-to-door Solicitations by Energy Suppliers

Recently, it was brought to the attention of Trustee Flynn regarding the relentless calls from energy suppliers that gave the impression to residents that were in fact part of and/or representing ComEd. After contacting our local liaison, ComEd External Affairs Manager Bonita Parker, the following information was provided.

Q. What should customers do if they're being targeted by third party energy providers who are using unwanted and aggressive recruitment tactics?

A. Retail Electric Suppliers* (known as RES's or suppliers) and/or Agents, Brokers and Consultants* (known as ABCs) may use aggressive marketing techniques to attract new business. Customers are being solicited to new electric suppliers through traditional means and now through door-to-door sales and telemarketing. These suppliers and ABCs must be certified by the ICC, which is the governing agency with oversight of these entities. ComEd is not actively soliciting its customers to switch their electric supplier and fully supports a customer's right to choose an alternative supplier.

If a resident is the subject of unwanted and aggressive recruitment tactics, they should inform the municipality and then contact the ICC Consumer Services Division (CSD) at 1-800-524-0795. Also, the resident can share his or her concerns with Illinois Commerce Commission via the Office of Retail Market Development

(ORMD) at **www.icc.illinois.gov/ORMD**.

Q. How can municipalities help their residents protect themselves?

A. Municipalities should tell residents about ways they can protect themselves:

- ComEd is supplier indifferent and supports a customer's right to choose.
- ComEd does NOT endorse and does NOT work with any telemarketer or door-to-door sales people NOR market its supplier service.
- If a ComEd employee contacts a customer at their residence/business, they will have a ComEd-issued employee ID and will have it visible. Customers must always use caution when letting salespeople into their homes. If they feel unsafe, they should ask the person to leave or contact the authorities.

Residents interested in switching to an alternative supplier can view a list of available alternative provider offers on the Citizens Utility Board website located at www.citizensutilityboard.org/ciElectric_cubfacts_alternativesuppliers.html.

- They must use caution when giving their ComEd account information – it can be used to switch their account to an alternative supplier.
- They must document the salesperson's contact information, which will NOT include any ComEd information, before sharing any personal or billing information
- They must be sure to clearly understand the service they agree to – being sure to read or listen to any recording affirming their selection of supply service by the salesperson.

A list of certified suppliers can be found on www.comedpowerpath.com or on the ICC's website **www.pluginillinois.org**

Once a customer has been switched, ComEd will mail a letter to the customer's mailing address to notify them of the supply switch. If they did not authorize the switch, they should immediately contact the supplier listed on the letter to have the switch rescinded and/ or contact ICC Consumer Services Division immediately.

We Watch, We Call!

Mayor Presta and the Board of Trustees have heard the requests of many to report crimes in our Village. Working with our Police Department, a compiled snapshot of a month's reporting will be shown here in the Adviser. We look forward to capturing a more detailed overview for our website in the near future. Our intent is to inform the public in order to protect and be vigilant in calling upon our Police. The Mayor urges all to stay tuned-in to your neighbors' well-being and property. Call our police, report suspicious activity, be aware. (911 or Dispatch non- Emergency 708-385-5131).

Shepard and Junior High Bands Perform Annual Concert

Nearly 300 students from area middle schools performed with their older peers from Shepard High School at an annual cooperative concert recently. Shepard has hosted the concert, featuring seven schools, for more than a decade.

Nearly 200 students from area junior high schools performed together at an annual concert at Shepard High School. The Shepard concert band also performed at the event.

From left, band directors Ted Wojcik of Finley Junior High School;, Phil Ondera from Kolmar Junior High School; Brian Hillhouse of Prairie Junior High School; Ryan Flowers of Nathan Hale Middle School; Brian Everson of Independence Junior High School; Christopher Pitlik of Shepard High School; and Dave Blyth of Worth Junior High School.

Shepard High School Leo Club students have volunteered regularly at Providence Nursing Home in Palos Heights. On this visit in early May, they join residents in decorating bird houses.

A Busy Month for Leo Club from Shepard High School

When students join the Leo Club at Shepard High School, they sign up to work.

The Club, the high school affiliate of Lions Clubs International, meets every Wednesday with teachers Jennifer Klein and Erin Quinlan. They share ideas on new service projects and review the Club's upcoming calendar.

The past few weeks have provided a glimpse into the Club's ambition and spirit.

This year, Leo Club has continued its relationship with Providence Nursing Home in Palos Heights. Klein, Quinlan and their students have regularly visited the residents there for the past several years. This time, they decorated bird houses.

On a recent Monday, the Club traveled to St. Anne Church in Hazel Crest for the second time this year to serve dinner to the homeless and hungry. They stayed to clean up after the meal as well.

"The kids loved it and the people there really appreciated their help. We used to help out at St. Blasé in Summit, but are helping at St. Anne now. We are hoping to go monthly starting in the fall," Klein said.

Later that same week, Leo Club visited the South Suburban Humane Society to walk dogs and play with cats. "It was another good outing for the group," Klein said.

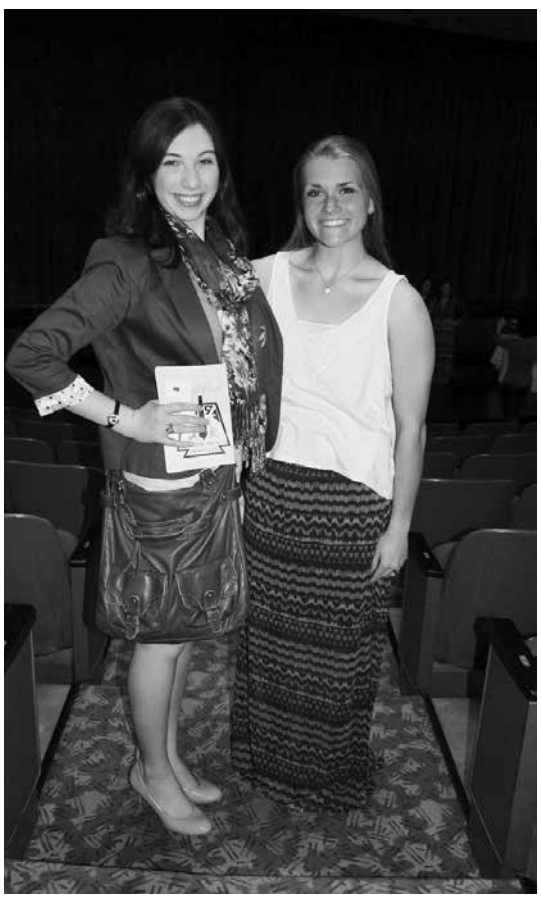
Mother McAuley National Honor Society Inductees

Crestwood's Dara Sanders and Erin Cunnea, juniors at Mother McAuley High School, were inducted into the National Honor Society April 24. Admission into the Mother McAuley chapter of the National Honor Society requires students to have accumulated a grade point average of at least 3.5 and to have acquired significant leadership and volunteering experience.

Dara uses her passion for softball to serve the community. She helps at a Mother McAuley-Brother Rice softball and baseball camp for children with special needs and teaches her little sister's Crestwood fastpitch softball team how to improve their pitching skills in addition to playing on the Mother McAuley varsity softball team. She also has been a Mother McAuley Student Ambassador for three years, welcoming prospective students, and has volunteered at nursing homes and a food pantry. She plans to attend Lewis University where she plans to major in biomedical science while continuing to play softball.

Erin, on the other hand, is a leader in local theatre. As an alumna of Incarnation School, she co-directs and choreographs Incarnation School's annual talent show and is the director and founder of Incarnation's Theatre Enrichment Class. She is co-president of Mother McAuley's International Thespian Society and participates in Mother McAuley's liturgical choir and dance ministries. In college, she plans to study musical theatre and secondary education with a focus on English, theatre or music. As a member of the National Honor Society, next year she looks forward to volunteering with Misericordia, taking a leadership role in the annual ice cream social fundraiser and strengthening her teaching skills by tutoring underclassmen.

Congratulations, Dara and Erin, and thank you for your service to our community!



Nathan Hale Middle Students Walk for Autism Awareness

On Saturday, May 17, current and former members of the National Junior Honor Society (NJHS) of Nathan Hale Middle School in Crestwood took part in the Walk Now for Autism Speaks event at Soldier Field. Twenty students, including three alumni, walked in the 5K event and raised $1,200 for Autism Speaks. Some of the students even had the opportunity to meet, speak to, and shake hands with Mayor Rahm Emanuel who joined the Chicago Walk for the first time this year.

Marist senior awarded

Amy Kruse, daughter of Ron and Doris Kruse, was recently awarded Marist High School's Block M award as Student Ambassador. To qualify, the senior must display skill in an activity, club or sport as well as exemplary leadership qualities. Amy leaves Marist remembered as a warm, dedicated and responsible young lady who made people immediately feel at home in her Marist community.

Ingalls Care Center Announces New Full-Time Family Nurse Practitioner

Quiana Jackson, BSN, MSN, FNP-BC, has now become a full-time family nurse practitioner on staff at Ingalls Care Center's Crestwood location. She joined the staff in November on a part-time basis.

Jackson, a board-certified FNP with more than seven years of professional advanced practice nursing, performs a full range of healthcare services for patients, age 2 and older. Services she provides include preventive care, diagnosing and treating patients, prescribing medications, performing physicals and ordering tests. She routinely treats patients with acute sinusitis, bronchitis, sprains, strep throat, back pain and other ailments.

Among her many areas of expertise, Jackson is particularly interested in women's health and counsels patients on wellness and preventive care, breast health, birth control, sexually transmitted diseases and more.

Before joining Ingalls in Crestwood, Jackson served as an FNP for Take Care Health Services at Walgreens for seven years. Prior to that, she worked as a pediatric intensive care nurse at the University of Chicago Medicine Comer Children's Hospital.

Jackson earned a Master of Science/Family Nurse Practitioner degree from Rush University in 2007 and a Bachelor of Science in Nursing from Prairie View A & M University in Houston, Texas in 1999. She is certified by the American Academy of Family Nurse Practitioners and a member of the Sigma Theta Tau International Honors Society of Nursing. In Fall of 2002, she was voted "Nurse of the Season" for the University of Chicago Comer Children's Hospital Pediatric Intensive Care Unit.

Jackson provides weekday, evening and weekend hours. Appointments and walk-ins are both welcome.

"The services I provide are ideal for busy people who work and may not be able to get in to see their regular physician," she said.

To schedule an appointment with Jackson, call **708.915.ASAP (2727)** or visit **www.Ingalls.org/InQuicker**.

Featuring primary care, quick care for minor emergencies, occupational health services, lab, X-ray and physical therapy, **Crestwood Care Center is located at 4742 Cal Sag Road.**

Business in the Spotlight

Bernie Steuber, Ron Milazzo, Tony Milazzo and Bobby Maier have partnered to bring the new restaurant franchise of Culver's to Crestwood.

Ron, Tony and Bobby are seasoned Culver's owners. This is Ron and Tony's eighth Culver's and Bobby's fourth Culver's. Tony and Bobby have worked at Culver's since age 16. Bernie has a 35-year background in his family's business, Steuber Florist and Greenhouses, in Beverly. He became interested in franchising a restaurant about two years ago and decided on Culver's.

"Culver's really caught my attention. Their high standards of quality, hospitality and service appealed to me. Those qualities have always been a part of my family's philosophy in business for our entire life," Bernie said.

After passing a week-long evaluation where he worked every position in a Culver's, Bernie continued on in a 16-week training program in Middleton, Wisconsin where he learned every aspect of its operation.

"Working and developing team members and interaction with guests has been a very satisfying experience. I eagerly look forward to opening the Culver's of Crestwood so we can serve our guests with that same great quality, service and hospitality that has made Culver's stand above the rest," he said.

"We have a great partnership and I look forward to serving and working with the Crestwood community for many years to come," he said.

Culver's new location at 13300 S. Cicero Ave opened for business in late May.

3rd year apprentices Michael Gall, Jessica Orellana, and Javier Velasquez help lay brick.

Walker Park Fieldhouse

Walker Park's fieldhouse recently enjoyed a facelift of its first floor with a new brick veneer constructed through the volunteer work of local bricklayer apprentices and trainers.

Three third-year apprentices - Michael Gall, Jessica Orellana and Javier Velasquez - further developed their craftsmanship under the direction of Dave Wysocki, regional safety and training director, and Dave Naprstek, brick instructor, of the International Union of Bricklayers and Allied Craftworkers' District Council Training Center in Addison, IL. Mike Volpentesta, Crestwood resident and BA for the Bricklayers, was instrumental in providing this trade to the Fieldhouse and takes pride in the ability to give back to the Village Crestwood.

Naprstek stated the team worked about 110 hours over the course of seven days in late April and May to add the brick veneer onto the original structure of the two-story fieldhouse's first floor. The volunteers provided a substantial savings to the Village on bricklaying costs.

Naprstek, who has been an instructor for two years and a bricklayer for 26 years, said the project was a great opportunity for the apprentices to learn problem-solving skills. "It's fun to work on such a project and give back to the community and see our students learn this kind of work," he said. "I think it looks pretty good."

He said the Center actively looks for community projects for their third-year apprentices, who do about two or three such projects each year.

The Village of Crestwood is grateful to these talented volunteers. It was the Recreation Commission's long-time wish to make these desperately needed improvements primarily to our bathroom facilities, which now reach ADA compliance, according to Village Services Director Bill Graffeo. The Village will continue to reach out to local trade talent and volunteers, which further instills pride in the community. Several electricians, painters and carpenters approached Village Trustees at the baseball parade with the desire to donate their services. Dykstra Heating and Cooling donated a furnace and air conditioning for the building. The Crestwood teams will greatly benefit from the opening of the fieldhouse.

Winners of the Best Firehouse Chef Cook-off Set Things Ablaze at the BIG Event

Sertoma Centre, Inc. thanks all the firefighters who participated in the cook-off at the BIG Event on Saturday, May 3 at 115 Bourbon Street to help raise money and awareness for individuals with disabilities.

"The firefighters make the BIG event possible and they really love cooking for the attendees who come out each year to support individuals with disabilities," said Sertoma Centre's Director of Advancement and Communications Amy Chmura.

Congratulations to all the winners of the annual cook-off! Lombard firefighter Bob Hopper took home the trophy for the Best Chili with his Smoke Showin' Chili. Ken Dompling and Joe Dinova, from the Blue Island Fire Department, won Best Ribs with their Bad Ax BBQ Ribs.Tim Prokop, a paramedic with Edward Ambulance Service in Naperville, won Best Chicken with his White Chicken Chili. Wesley Marvel, from Robbins Fire Department, took the trophy for Best Ethnic Dish with his Southern Style Ham. The People's Choice award was won by Jim Leibach and Steve Zook, of the Niles Fire Department, with their award winning Tiller Boy Ribs.

Christopher Drozd from Chicago Fire Department Engine 42 participates in the firefighter cook-off each year. He brings along his family and friends to help and they all have a great time. If you ask Chris why he competes, he will tell you "because it's a great cause and so much fun!" Chris is very familiar with Sertoma Centre because his daughter Brandi was a staff member at Sertoma Centre. Sertoma Centre strives to provide quality programs and services for more than 750 individuals with disabilities. Individuals served by Sertoma Centre are diagnosed with developmental disabilities including autism, Down syndrome, and cerebral palsy. "Fundraisers like BIG Event provide Sertoma Centre an excellent opportunity to communicate to the community what we do and the firefighters help us accomplish this," explains Chmura.

Guest judges sampled each dish to determine the best chili, ribs, poultry, and ethnic dishes. BIG Event judges included Mike Mech, the Bungalow Chef; Anne Marie Saviano, a writer/producer on WGN Morning News in Chicago; Bernadette Shanahan-Haas, the Director of Operations for the Retail Bakers of America; and Rachel Miklas, General Manager for 115 Bourbon Street. Sertoma Centre is grateful to all the chefs who participated this year. They included Chicago firefighters Michael Wielgat from Engine 18 and Christopher Drozd from Engine 42, Lemont firefighter Fred Heller, Lombard firefighter Tim Moran and Crestwood firefighter Jon Bruce. Sertoma United, Sertoma Centre's self advocacy group, also participated this year with their Chili United.

The BIG Event was sponsored by the local Sertoma clubs, the Aileen S. Andrew Foundation and many area businesses, families and friends. Sertoma Centre would like to thank each of the sponsors and the volunteers who helped make the event a BIG success. Proceeds from the BIG event benefit the more than 750 individuals with disabilities served by the Centre.

For more information, call Amy Chmura, Director of Advancement and Communications, at (708) 730-6206 or go to www.sertomacentre.org. Sertoma Centre, Inc. is a nationally-accredited, not-for-profit agency that provides services to individuals with developmental, physical and emotional disabilities, and/or mental illness.

Crestwood Fire Chief Jon Bruce and his brother Pat Bruce took part in the big event.

Outstanding Calls South Cook County EMS Honors Fire Department

The Village of Crestwood recently received a letter complimenting our fire department for an outstanding EMS call in which our department responded to a 76-year-old in cardiopulmonary arrest. Our crew quickly and effectively cared for the patient by CPR defibrillation, endotracheal intubation, and intraosseous access with ACLS drug administration.

EMS Medical Director, Bernard Heilicser, D.O., expressed his appreciation in this prehospital save as the patient was successfully resuscitated and discharged.

We are proud to showcase another fine example of the highly trained individuals our village employs to perform our Advanced Life Support (ALS) services. Letters to Fire Chief Jon Bruce and Mayor Lou Presta have become more commonplace now that ALS is in place. Not only are the letters from outside agencies, but heartwarmingly from the Crestwood residents that are assisted and saved.

Shepard Girls Soccer Team

Alan B. Shepard High School's girls soccer team, the Astros, won its third straight South Suburban Red Crown conference title May 14 after winning 3-2 over Thornton Fractional High School in a game that ended in a shootout. Crestwood's Aubrey Quick, a midfielder, and Heather Banis, who aptly defended the goal during the shootout, helped their team attain the victory.

Local Runner and Crestwood Resident Arturs Bareikis

Crestwood resident Arturs Bareikis placed second with a time of 2:27:29 in the 10th Annual Fargo Marathon which took place on May 10 in Fargo, North Dakota after a close race with Kenya native Peter Kemboi who ran it in 2:26:54.

When his flight to Fargo got cancelled at the last minute, Bareikis proved his dedication by going anyway - he drove the 10 hours from Chicago to Fargo that day and arrived at 10:30 pm the night before the race. Though he lost the race, he still enjoyed it. "You can't win everything," he said. He also runs a lot of local races, most of which are in Illinois. On Memorial Day, Bareikis won Beverly's Ridge Run 10K and placed 3rd in the 5K, with a time of 33:46 and 16:18, respectively.

Bareikis, 27, ran track and cross country at Tinley Park High School and has run "seriously" since 2011, he said. He competes in about four marathons each year and has coached cross country at St. Xavier University for two years and Tinley Park High School for seven years. Bareikis runs near and far from home. He trains at home but tries to go to Kenya every year for training as well. "[Crestwood] is a safe, nice community for runners. It'd be nice if there were more," he said.

Shepard's Boys Track and Field Team Getting Help from Crestwood Natives

If you've paid any attention to track and field on the southwest side of Chicago in the past few years, then you've seen headlines highlighting the successes of Shepard High School more than most. In the past few years, the Boys Track and Field program has a long list of accomplishments including upwards of 20 indoor and outdoor Invitational Championships, three consecutive South Suburban Red Conference Championships on both Frosh/Soph and Varsity levels, eight athletes qualifying to the IHSA state meet, and a number of student-athletes that have gone on to compete at the collegiate level.

The team's head coach is Dan Ludwig, a Shepard graduate and Crestwood native, who knows what it feels like to be on both ends of the sport as he competed as a sprinter at the state level while attending Shepard and is now in charge of the program. Coach Ludwig says that the success of a track team is always much deeper than a few individuals but he will admit that the team has received much contribution from his fellow Crestwood residents. The following are some Crestwood athletes that were mentioned: distance runners Jake Zuiker, Nick Zuiker, Nick Heidinger, Kevin Callahan, Kevin Courtney, Ricardo Dodson, Kevin Dusek, Matt Gibson, Nate Gibson, Janek Wasag, Garrett White, and John Wolniak; sprinters Corry Williams, Mike Kaczmarczyk, and Billy McCormick; and thrower Nick Etchison. With the help of these athletes, along with the rest of the Shepard community, there seems to be no slowing down the boys track team.

If you're interested in getting your son or daughter involved in the sport of track and field, be on the lookout for a club program that Coach Ludwig will be starting next summer. Any questions, email him at Daniel.Ludwig@chsd218.org.

Above is a picture of Corry Williams finishing his race at the Conference meet where he took first place in the 110 high hurdles, 300 hurdles, and as a member of the 4x400 meter relay.

Above are the Shepard Boys Track and Field Team celebrating their third straight conference championship on both Fresh/Soph and Varsity Levels.

ThunderBolts Get Rid of Their Greys! 7-1 Sweep!

The ThunderBolts completed a season opening three-game sweep of the Frontier Greys on Sunday, May 18, with a 7-1 win at Standard Bank Stadium.

The ThunderBolts got on the board in the second inning, plating two runs on only one hit. Max White walked and Matt Scioscia singled before Doug Joyce's fielder's choice put runners at the corners. Andrew Brauer walked to load the bases and Evan Button was hit by a pitch to force in the first run. They got their second on a Mike Torres RBI fielder's choice.

Windy City added a run in the following inning when Greys starter Pat Lowery again got wild. Two walks and a hit batter loaded the bases and Max White grounded into an RBI fielder's choice to make it 3-0.

They used some offense to make it 4-0 in the fifth. Ryan McIntyre doubled his seventh straight plate appearance in which he reached base. Kyle Robinson followed with an RBI single.

Markus Solbach had allowed only one hit through six innings before the Greys finally got on the board in the seventh. They had three singles, including an RBI from Zach Tanner, who scored Joe Rapp.

The ThunderBolts put the game away with three late insurance runs. An RBI double for Robinson in the seventh made the score 5-1 and White added a sacrifice fly in the same inning. Torres' run-scoring groundout that scored Andrew Brauer in the eighth made the final score 7-1.

Solbach (1-0) allowed just one run over seven innings to earn the win and Lowery (0-10) took the loss after giving up three runs in four innings.

The cold night kept the crowd away. Hopefully warmer weather will fill seats. Check out their website for promotions and specials.
