

AN IMPORTANT SURVEY ABOUT POSSIBLE POSTAL CHANGES

Dear Postal Customer:

On behalf of customers in your area, the Village of Crestwood has requested that the Postal Service assigns to you a new ZIP Code which will require the last line of your address to be changed to "Crestwood, IL (ZIP Code-To be determined)". According to the Village of Crestwood, the benefits of this change are: recognition of actual municipal identity, elimination of erroneous 5 percent utility tax on certain bills imposed by the town of Midlothian, and confidence in the accuracy of collected census data.

The Postal Service is willing to make this change, if customers support it. This survey has been developed to determine your preferences. **FOR YOUR PREFERENCES TO BE CONSIDERED, PLEASE COMPLETE THE SURVEY BELOW. YOUR RESPONSE MUST BE RECEIVED BY February 13, 2015. ONE RESPONSE PER DELIVERY ADDRESS WILL BE COUNTED.**

EFFECTS OF THE CHANGE: If the request is approved, you will be required to:

1. Change the last line of your address to: Crestwood, IL (ZIP Code-TBD)
2. Notify correspondents of your new mailing address
3. Continue to pick up notice left mail from the Midlothian Post Office
4. You may experience brief delays due to mail being redirected

The change will be approved if at least fifty percent of the community completes and returns the survey by (insert date), and the majority of those respondents agree to the change. You will be informed of the results of the survey and, if approved, the change would become effective on July 1, 2015.

If you have any questions, please contact me at 708-563-7348.
