

## Recreation Commision Report

February 26, 2013

- The Recreation Commision received a gift card from Wal-Mart to use to buy prizes for games and raffles at The Easter Egg Hunt. There are other local businesses that we are trying to inquire about receiving donations for the event. We have also purchased a Bunny costume for the event. In the long run it was cheaper to buy then rent one.
- Teen dance took place on February 22<sup>nd</sup> 2013 at the Civic Center. The turn out was low but still covered the expenses. This was the last dance until September 2013.
