VILLAGE SERVICES DIRECTOR REPORT                    1. The public works did a great job after all the rain last week.  
We held off releasing the water out of the dike in order to let the storm and sanitary lines clear first.

MAYOR'S REPORT ON PENDING MATTERS                    1. Major problems with a house located at 13630 S. Springfield. Village has been notified by the neighbors next door of the deplorable situation.  
2. Letter from IEPA in regards to getting a permit from Waste Management to open a composting and yard waste recycling center. Further investigation and discussion to be done.  
3. Letter received from the State liquor control division in regards to a business in town which has bounced a check for their state liquor license.

If they do not correct the problem with the State we will need to revoke their liquor license with the Village.

4. A letter was received by the Mayor from Applesauce, Inc. which has a restaurant at 4937 W. Cal Sag Rd., (Applebees) saying they are trying to sell this business. If unable to sell, they will be closing the business.
5. A nice article was written in the Preview in regards to a Crestwood resident that has been to 63 Sox openers.

UNFINISHED

BUSINESS

1. Trustee Flynn asked regarding possibly putting more fencing around the new roller hockey court at Playfield Park. Per Bill Graffeo it will still be used for parking for the baseball games so no new fencing can be put up.
2. Review of the closed session minutes will be done at the next Committee meeting.

NEW

BUSINESS

1. Trustee Flynn had a couple questions in regards to MFT funds. Bill Graffeo stated that the monies received are down substantially from previous years, so major projects will have to be completed every other year as the money accumulates.
