

## Recreation Commission Report

June 11, 2013

- The Recreation Commission held Movie in the Park on June 7<sup>th</sup>. There were about 75 people in attendance. The Recreation Commission believes that if the advertising in the Crestwood Advisor was placed in a better spot and at full size like submitted people would have seen the add, also the Village needs to promote the Village Website so the residents know where they find these types of events for it was also located on the website. It was brought to are attention at the event that people were only aware of the event because of word of mouth.
- The bid for the playground equipment has been placed in the paper and are due by June27,2013.
- 
- The Recreation Commission was informed that the bid for the new grandstands at Caesars Park has not gone out for bid yet. We are still waiting for a response on why that has not taken place.
- The Recreation Commission would like to change the meeting dates to be moved to the 1<sup>st</sup> and 3<sup>rd</sup> Tuesday of the month to coordinate with the meetings of the committee of the whole. This would allow for better communication.
