Goal of Crestwood T-Ball: To teach the fundamentals of baseball/softball in a relaxed, friendly and fun environment. To let the players enjoy playing the game and to have fun doing it so that they will want to continue playing for many years. To help children learn how to associate with others in a team environment, play well with others and understand what being a good sport is all about.

Games last Approximately 75 minutes normally 3-4 innings

- Games are played as normal games, positions are taught
- Players can hit singles, doubles, triples and even an occasional homer. Players hit off a batting T so they can develop and concentrate on a good swing.

No Aluminum Bats are used - the ball reacts too quickly for the young players.
