Season runs mid April to mid June

Our teams normally have between 11 and 15 girls on each team. We try to keep former team mates together as they move up in age, and we try to keep friends together, but no guarantees

Our goals are teaching girls to play the game and showing them how much fun it is to play.

Our Coaches understand that the players are children that should be taught and encouraged, not singled out and humiliated, that each player is given at least 2 innings in the field and encouraged to try different positions, (length of game & safety could affect both these things).

Coaches are expected to exhibit and encourage good sportsmanship at all times, and to encourage each player to do their best and support their team mates. And, that even though, we are trying to win games, winning isn't everything.
