

Dear Civic Leaders and First Responders,

Summer is passing us by quickly, and the time for the annual "Battle in the Burbs" event is fast approaching. This popular event, as you likely recall, brings together representatives from each of the South Suburbs to promote each of our municipalities and to raise money for charity. The 4th Annual Battle in the Burbs will be a special one: All proceeds will go to assisting the recovery of Park Forest Officer Timothy Jones, who was shot in the line of duty in March.

This year's Battle in the Burbs will be a doubleheader, taking place Sunday, Aug. 20th at Standard Bank Stadium (14011 Kenton Ave., Crestwood). The first game, at 5:00pm, will pit the South Suburban Mayors and Managers against South Suburban Police and Fire Chiefs in an epic match of 16-inch softball. (Last year's matchup saw our Mayors and Managers taking the crown from the Police and Fire Chiefs. This year, we'll have to see if the Chiefs can take it back.) A second game featuring the Police vs. Firefighters will follow at 7:00pm.

Tickets will be \$10 in advance and \$15 at the gate, and can be purchased at the Thunderbolts box office at Standard Bank Stadium or online at www.wcthunderbolts.com.

We ask you, as an invited participant in this popular annual event, to get involved in any way you can, whether it be playing for your respective team, spreading the word about the Battle in the Burbs to the people in your family and community, and by encouraging businesses in your municipality to sponsor the event. Remember that this year's event will honor and support one of Park Forest's finest, and we would like to make the best showing we can.

As always, this is a family friendly day at the stadium. A DJ will be on-site, and a playground will be set up in the outfield with a jump house for kids. Everyone is welcome and encouraged to attend this festive, community-based event.

Sponsorship opportunities are widely available, at one of three levels for this year's event: Grand Slam (\$1,000), Home Run (\$500) and RBI (\$250).

I look forward to working with you and the rest of the South Suburban community leaders and first responders for an evening of summer fun in a great and worthy cause at a time when our law enforcement community needs support.

Please contact our event planners and let them know that you're on deck to represent your municipality by calling (708) 293-1430 or emailing info@battleintheburbs.com to register your on-field participation. At that time, please notify us of your shirt size and if you have a preferred position that you would care to play. We strongly encourage you to participate in support of Officer Jones and our respective communities, but whatever level of participation you choose we hope you'll join us and be a part of this very special 4th Annual Battle of the Burbs.

Sincerely,

Mayor of Crestwood
